*Welcome to Bear Paw Lodge. Located in remote North-western Ontario, Caribou Lake offers spectacular scenery, fabulous fishing, and tranquility second to none. The lake is 25 miles long and 5 miles wide with over 2800 miles of shoreline. Its west shore borders one of Canada's largest wilderness parks, Wabakimi, which ensures that the lake will remain in its pristine condition for generations to come.*

*We take this opportunity to "Thank" all our wonderful and loyal guests for their patience and support through the "Covid-19" closure and to express our excitement and anticipation to see everyone again soon.*

*Your hosts, Joy & Darcy, invite you to join us on Caribou Lake for a week of great fishing and relaxation.*

*For the enjoyment of all our registered guests, Bear Paw Lodge sponsors an annual fishing derby and the winners receive a free return trip the following season. (Moved to 2022) Congratulations go to:*

Northern Pike – Ron Tillett- 19# 8oz

Walleye – Greg Loeser - 6# 11oz

Lake Trout – Derick Kaftenbaugh 17# 12oz

## ***Bear Hunts***

*Our fall bear hunts consistently produce fine animals. We limit our hunt to 10 persons per season to ensure that each hunter has the best opportunity at a bear. Our success rate is very high due to the sheer size of our management unit and the number of bears in it. Each hunter has a choice on bait sites and we will help in setting up your stand and clearing shooting lanes. Our rates are \$1750.00 CDN. per person (\$500 deposit, minimum 2 persons). The hunting packages run from Saturday to the following Friday and includes:*

- *Black Bear license*
- *Conservation fishing license*
- *accommodations*
- *boat, motor and gas*
- *active bait station*
- *retrieval assistance*
- *Unguided hunts available, please call for pricing*
